Over the past four years, I've enjoyed complete control over my time and income as an expert coach guiding other women as they pursue their dreams. I know what works and what doesn't.

This guide gives you a simple way to remember the **8 most important things you must do to launch your epic coaching business rapidly and create total freedom that unleashes wealth and unlimited travel...**

...even if you have NO CLUE how to get started.

- Coach MJ

1. FOCUS ON MANIFESTATION

- Focus like laser DAILY on your craziest dreams and most audacious goals for your unlimited income, total time control, and mind-blowing travel destinations around the world until they are realized.

2. FIGURE OUT YOUR MASTERY

- Identify your area(s) of professional and personal expertise, the bleeding-neck problem you're driven to solve, and your most dynamic gifts that you'd love to share with your tribe (and that they're begging you to share with them).

3. FIND YOUR MARKET

- Identify the group of people who need your magic the most, connect deeply with the pain they're experiencing now before they've found you, and locate them in the marketplace so you'll know where to reach them with your offer.

4. FRAME YOUR MAGIC FORMULA

- Outline the steps and support your clients need to go from pain to pleasure, the premium price your magic formula is worth to the market, and the model and team you'll need to bring your offer to fruition.

5. FINE-TUNE YOUR MESSAGING

- Craft compelling, irresistible messaging that stands out from the crowd, connects with your tribe at the point of highest impact, and drives them to act now by reaching out to work with you.

6. FACILITATE YOUR MARKETING

- Identify the most effective channels to distribute your messaging for maximum impact to make yourself easy to find for the people already searching for your perfect solution.

7. FULFILL YOUR MASTERCLASS

- Serve your clients and help them achieve their desired outcomes within a short timeframe by leveraging technology to deliver instruction, support, accountability, camaraderie, and progress measurement.

8. FOLLOW YOUR MENTOR

- Hire and align closely with your expert coach who will **show you the ropes** and **shorten your learning curve** for building a lucrative coaching business within a few months--**AND I'M HERE TO HELP YOU (keep reading...)**
