Most coaches and trainers do not do any market research before they spend their precious time and money on creating programs.

It is important to do thorough research to create a program that sells and generates results.

Let's find out how can you create an awesome and sellable program quick and easy.

-- Deepak Chaurasia

☐

Know your audience

☐

Know your competitors

☐

Understand the steps involved in program preparation

☐

Give a name, price tag, type of program, offer stack for your program launch

☐

Launch your program quick and validate with real audience
